

It's so good to be outdoors. I know that some of you have been inside for months and have found it really hard and it's wonderful now to be able to have some garden visits – a lifeline. This morning we're also having a live service at church, but we can't wait for when we can all meet together safely.

Let's pray for our church family, whether at home or at church, that we will all know his incredible presence, his peace and that we would know today the Holy Spirit ministering to us through his word, leading us to Jesus afresh and causing us to praise him and to thank him and to trust him for today.

Song

The Church's one foundation
Is Jesus Christ her Lord
She is His new creation
By water and the Word
From heav'n He came and sought her
To be His holy bride
With His own blood He bought her
And for her life He died

Elect from every nation
Yet one o'er all the earth
Her charter of salvation
One Lord one faith one birth
One holy name she blesses
Partakes one holy food
And to one hope she presses
With every grace endued

'Mid toil and tribulation
And tumult of her war
She waits the consummation
Of peace forevermore
Till with the vision glorious
Her longing eyes are blest
And the great Church victorious
Shall be the Church at rest

Yet she on earth hath union
With God the Three in One
And mystic sweet communion
With those whose rest is won
O happy ones and holy
Lord give us grace that we
Like them the meek and lowly
On high may dwell with Thee

Song

Jesus is the name we honour
Jesus is the name we praise
Majestic name above all other names
The highest heaven and earth proclaim
That Jesus is our God

We will glorify we will lift Him high
We will give Him honour and praise
We will glorify we will lift Him high
We will give Him honour and praise

Jesus is the name we worship
Jesus is the name we trust
He is the King above all other kings
Let all creation stand and sing
That Jesus is our God

Jesus is the Father's splendour
Jesus is the Father's joy
He will return to reign in majesty
And every eye at last will see
That Jesus is our God

Teaching

Song

We bow down and confess
You are Lord in this place
We bow down and confess
You are Lord in this place

You are all I need
It's Your face I seek
In the presence of Your light
We bow down we bow down

Communion

We invite you to share communion, remembering that the sacrifice of Jesus brings us new life. While you may be doing this alone, there are many others, both in our church and across the country celebrating at this very moment.

Prayers

Thank you, Lord God Almighty that we can come to you now with requests and petitions, confident that you love us and hear us.

Loving God, we pray for Queen Elizabeth following the death of Prince Philip. May she know your presence in her sadness and know you, the God of all compassion. Help her as she continues to live her life in service to you and our country.

Merciful God, we ask for your guiding hand for our Government - help them to make good and wise decisions as they continue to respond to the effects of the pandemic and all the connected issues. Give them strength and courage, wisdom and foresight.

Gracious God, we think of our world and the many countries where there is unrest, war, famine, hardship, poverty and injustice, as well as the impact of Coronavirus. Myanmar, Syria, Yemen, Northern Ireland, Brazil to name a few. *Pause and bring to God countries that are on your heart at the moment.* Prince of Peace, may your peace be known across the world, relieving suffering and upholding justice.

Help us to serve you, each other and our community as your body, your hands and feet. Be with those who are suffering ill health, restore their bodies and comfort them. Help those who are experiencing anxiety and loneliness, may they know you close beside them. Amen.

Song

We want to see Jesus lifted high
A banner that flies across this land
That all men might see the truth and know
He is the way to heaven

We want to see we want to see
We want to see Jesus lifted high
We want to see we want to see
We want to see Jesus lifted high

Step by step we're moving forward
Little by little taking ground
Ev'ry prayer a powerful weapon
Strongholds come tumbling down
And down and down and down

We're gonna see we're gonna see
We're gonna see Jesus lifted high
We're gonna see we're gonna see
We're gonna see Jesus lifted high

May the beauty of God
be reflected in your eyes,
the love of God
be reflected in your hands,
the wisdom of God
be reflected in your words,
and the knowledge of God
flow from your heart,
that all might see,
and seeing, believe.
