

Seeing hedgerows bursting with life really lifts my spirit, to see just how wonderful God's world is. But I've also felt really saddened by news of the fatal attack on a local teenager.

*Father, thank you for your word which shines light into our darkness, showing us your way of living, full of peace and hope  
Be with the family of the young man who was killed this week in Kingstanding. In their sorrow heal their pain. We pray for the youth workers, the churches, the social workers and the police working in that community, give them courage, and wisdom.*

*Be with us as a church – as we move out of lockdown and seek to be light in our communities. Inspire and guide the leaders of our church as we look to the future.*

## Song

Blessed be Your name  
In the land that is plentiful  
Where Your streams of abundance flow  
Blessed be Your name

Blessed be Your name  
When I'm found in the desert place  
Though I walk through the wilderness  
Blessed be Your name

Ev'ry blessing You pour out I'll  
Turn back to praise  
When the darkness closes in Lord  
Still I will say

Blessed be the name of the Lord  
Blessed be Your name  
Blessed be the name of the Lord  
Blessed be Your glorious name

Blessed be Your name  
When the sun's shining down on me  
When the world's all as it should be  
Blessed be Your name

Blessed be Your name  
On the road marked with suffering  
Though there's pain in the offering  
Blessed be Your name

You give and take away  
You give and take away  
My heart will choose to say  
Lord blessed be Your name

## Song

You are here moving in our midst  
I worship You I worship You  
You are here working in this place  
I worship You I worship You

*You are* Way Maker, Miracle Worker,  
Promise Keeper  
Light in the darkness my God that is who  
You are

You are here touching every heart  
I worship You I worship You  
You are here healing every heart  
I worship You I worship You

You are here turning lives around  
I worship You I worship You  
You are here mending every heart  
I worship You yes I worship You Lord

That is who You are  
That is who You are  
That is who You are  
That is who You are

Even when I don't see it You're working  
Even when I don't feel it You're working  
You never stop You never stop working  
You never stop You never stop working

May your day be blessed  
by moments of quietness,  
light in your darkness,  
strength in your weakness,  
grace in your meekness,  
joy in your gladness,  
peace in your stillness.  
May your day be blessed
